

GEOMETRIC

Catálogo Digital

officerios

Ambientalmente amigável

Os produtos da linha Geometric foram pensados com os princípios do ecodesign, utilizando soluções de engenharia que utilizam o máximo de aproveitamento de chapas de MDP, provenientes do processo produtivo de outras linhas. Isso significa que não desperdiçamos recursos desnecessariamente.

Modalidades de Atendimento

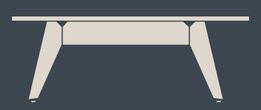

PRODUTO DE LINHA

Produtos e acabamentos de catálogo com lead time reduzido.

PRODUTO CONFIGURADO

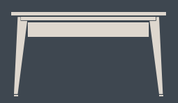

Produtos de linha com medidas especiais, ajustadas ao projeto.
